About the Company

Attitude Property Ltd (APL) was originally incorporated as a private company in Mauritius according to the Companies Act 2001, under the name of Neymar Ltd on July 4th 2013. APL was converted into a public limited company by shares on May 5th 2014.

APL is a subsidiary of Attitude Hospitality Ltd (AHL).

AHL's Board opted in favour of a new business model whereby the property ownership of its hotels would be segregated from its hotel business. APL was therefore established to hold the properties of AHL and to rent these out with the objective to maximise shareholder return from its property portfolio.

APL's only source of revenue is the rental income it receives from its three hotel properties: The Ravenala Attitude, Tropical Attitude and Récif Attitude. This is a 20-year binding lease agreement with AHL.

AHL is an investment entity, holding shares in various companies in the hotel and tourism industry. AHL was launched in 2008 with the aim to think outside the box with a new 'Attitude', encouraging guests to discover the authentic soul of Mauritius. The idea was to position itself as a responsible economic player that supports sustainable development. Today, AHL is a company with a purpose, managing nine hotels – collectively known as 'Attitude Hotels' – and employing 1600 people known as Family Members. Through continuous expansion and innovation, 'Attitude' has become a leading brand, as well as a reference for the mid-market segment.

Chairperson's report

Dear Shareholders,

Our portfolio

Attitude Property Ltd ("APL" or the "Company") owns three hotel properties, Ravenala Attitude, Récif Attitude and Tropical Attitude, which are currently leased to Attitude Hospitality Ltd ("AHL") until August 2035. APL's main source of revenue is the rental income received from these properties.

Financial performance

The Company continues to capitalize on the steady recovery of the tourism sector, as tourist arrivals maintain their strong post-COVID momentum. In 2023, approximately 1.3 million tourists visited Mauritius, contributing Rs 86 billion in gross tourism earnings, solidifying the tourism's role as a cornerstone of the economy.

However, this year has not been without any challenges with Récif Attitude's closure for more than 6 months due to structural issues, which impacted the Company's revenue. As such, the revenue for the year has decreased to Rs 199M as compared to last year's revenue of Rs 211M. The rental derived from Récif Attitude has been suspended until the property is redeveloped.

Administrative expenses rose by Rs2.2M during the period, including some Rs1.2M of non-recurrent expenses associated with Récif Attitude. Finance costs also increased by 11% to Rs 78M but remained adequately covered with an interest cover of 2.5x.

During the year the Company has appointed Care Ratings (Africa) Private Limited to perform an assessment of its credit rating. On 19th March 2024, it obtained a rating of CARE MAU A which is valid for one year and attests to the satisfactory degree of safety regarding timely servicing of financial obligation by the Company. As such, the interest rate on the Bond has been revised downward by 97 bps.

During the course of the year, the Directors have re-assessed the fair value of the three Investment Properties at year end in accordance with IAS40, and an amount of Rs14.7M was charged.

Against such backdrop, the Company has ended FY-2024 with a Profit After Tax of Rs 98.3M (FY-2023: Rs 126M). Its Net Asset Value per share stood at Rs 12.63 as of 30 June 2024 compared to Rs 13.00 at the end of FY-2023.

The rental agreement provides for a rent revision every 3 years and the Company has revised its rent upwards, effective as from the 1st July 2024 (capped at 15% in line with the rental agreement); the rental income shall therefore be higher in respect of FY25. On the same note, the deferment rental arrears during the covid period shall be fully settled in March and September 2025 respectively, in accordance with the agreement signed between the Company and AHL.

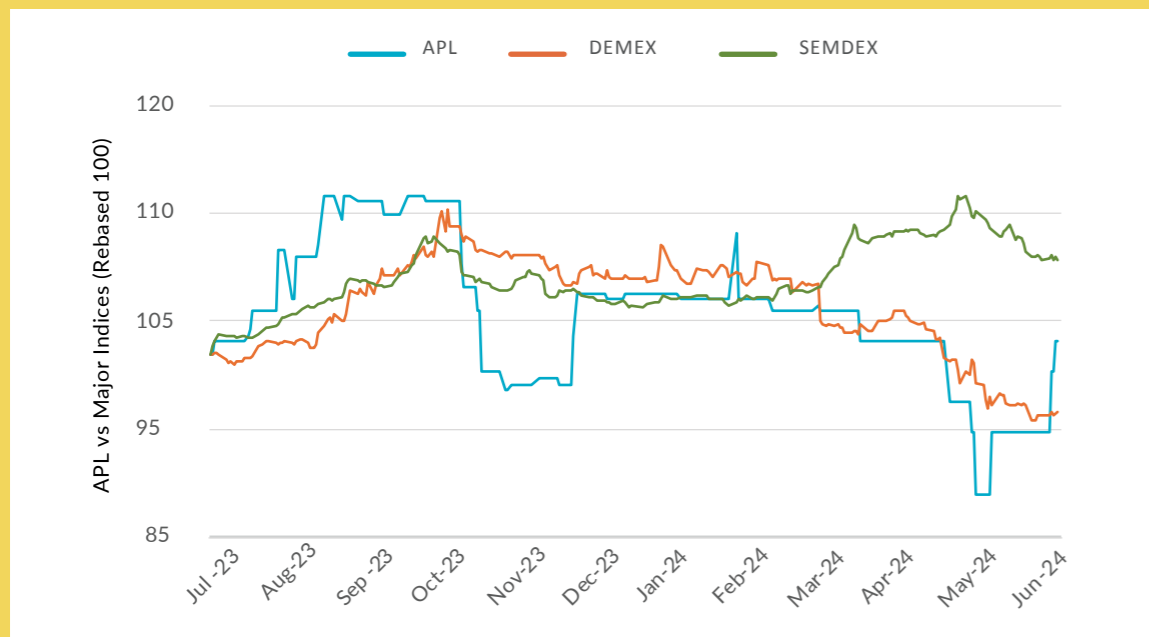

Dividend

During the financial year ended 30th June 2024, the Company has paid an interim dividend of Rs 0.48 per share and declared a final dividend of Rs 0.41 per share. There is a top up of 24 cents included over and above the normal dividend to compensate the Shareholders in respect of the rental deferment period.

As such, total dividend for the year stands at Rs 0.89 per share, representing a dividend yield of 8.28% as of 30 June 2024 and 6.5% after adjusting for the exceptional dividend.

chairperson's report

Market performance during FY -2024

Our share price has inched up by +0.94% during the 12months ending 30 June 2024, closing at Rs 10.75. This compared favourably against our benchmark DEMEX's decline of -4.24%. The SEMDEX, however, increased by +7.21% during the aforementioned period and continued its ascent and rose by a further +10.3% since Jun-24 before closing at an all-time high on 25th September 2024. The Company's share price has increased by +2.8% since, to close at Rs 11.05 at the time of this report.

Industry Outlook

The Mauritian economy is expected to grow by +6.5% in 2024 partly driven by the +7.4% real growth in the 'Accommodation and Food Services' sector. The latter is based on an estimated tourist arrivals to the tune of 1.4M in 2024.

Arrivals stood strong for the period between Jan-July 2024 with our country accommodating 760,556 tourists, representing a year on year growth of +7.99%. Spending also continues to remain strong as evidenced by the +6.55% increase. While spending per tourist has fallen slightly by -1.67% on a year on year basis, it remains significantly above pre-pandemic level.

Jan-July	2019	2023	2024
Tourist Arrivals	765,530	704,298	760,556
Growth		-8.00%	7.99%
Tourism Spending (Rs Bn)	35,989	48,141	51,296
Growth		33.76%	6.55%
Spending per Tourist (Rs)	47,041	68,529	67,382
Growth		45.68%	-1.67%

From a monetary policy perspective and in light of the subsiding inflation rates, the Bank of Mauritius has voted to unanimously reduce the Key Rate from 4.5% to 4.0%. This should be significantly beneficial to the Company's profitability as we can expect a decline in finance costs.

Operations Update & Outlook

As mentioned in last year's report, Récif Attitude had suffered significant structural degradation and has ceased operations since December 2023. Our management team is still working on the best scenario for the re-development of the property to create value for its shareholders.

The rent has also been revised upwards as from 1st July 2024 by an amount linked to (3) years cumulative increase in headline inflation and capped at 15% over the 3 year period.

Furthermore, the Board has approved a Capital Expenditure of Rs 60M on The Ravenala Attitude which should have been incurred during the Financial Year ended 30th June 2024. As at reporting date, the amount spent was only Rs23.5M, the remaining balance will be spent during this Financial Year ending 30th June 2025. APL shall trigger the FFE (Furniture, Fixtures & Equipment) reserves from AHL for the corresponding amount and the transaction shall be recognized in the Financial Year ending 30th June 2025.

Acknowledgments and appreciations

On behalf of the Board, I would like to thank the departing Independent Non-Executive Director, Mr Charles Derblay, who served as Chairperson of the Audit and Risks Committee for the period between May 2022 and May 2024, for his contribution and

valuable advice to the Board.

I am pleased to announce the appointment of Mr Frederick Tyack who joined the Board as Independent Non-Executive Director and Chairperson of the Audit and Risks Committee since 24 May 2024.

On behalf of the Board, I would also like to thank the departing Non-Executive Director and Chairperson of the Board, Mr Michel Guy Rivalland for his significant contribution since the launching of the Company 10 years ago.

Concluding remarks

It was with great honor that I accepted my appointment as Chairperson of the Company on 23 September 2024. I would like to thank my predecessor and the board of directors as well as the whole organization for their hard work during the year and for their trust. I am looking forward to contributing with this dedicated team to further enhance the Company's development and realizations.

Natacha Emilien

corporate governance

The Board of ATTITUDE PROPERTY LTD (the 'Company' / 'APL') is committed to achieving high standards of corporate governance and recognizes the importance of good governance to ensure continued growth and create sustainable value for all its stakeholders. As a public interest entity, the Board of Directors ("the Board") has made concerted effort to apply the principles as set out in the National Code of Corporate Governance for Mauritius (2016) (the 'Code').

PRINCIPLE 1: GOVERNANCE STRUCTURE

Conduct of affairs

The Board is collectively responsible for the Company's leadership, strategy, values, standards, control, management and the long-term success of the Company. It is also responsible for providing strong leadership and independent judgement for complying with all legal and regulatory requirements.

Board Charter

The Board has adopted a Charter which sets out the objectives, roles and responsibilities and composition of the Board. The Board has the responsibility to review and reassess the adequacy of its charter every five years or as and when required. The Board Charter will be tabled for review during the next financial year. The Board Charter is available for consultation on the Company's website.

Code of Ethics

The Company is committed to the highest standards of integrity and ethical conduct in dealing with all its stakeholders. The Board is responsible to monitor and evaluate the compliance with the Code of Ethics which will be reviewed in the next financial year. APL has adopted a Code of Ethics which includes a whistle-blowing process and it is available for consultation on its website. There were no whistle blowing instances identified during the year.

Key Governance Positions approved by the Board

Chairman of the Board

The key responsibilities of the Chairman of the Board are as follows:

- To provide leadership to the Board in order to ensure it functions effectively;
- To plan the Board's annual schedule of meetings and agendas, in consultation with Company Secretary and other Directors as appropriate;
- To maintain sound relations with the Company's shareholders and ensure that principles of effective communication and pertinent disclosure are followed;
- To ensure that all Directors play a full and constructive role in the functioning and decision-making process of the Board;
- To ensure that all relevant information and facts are communicated to the Board in order to enable the Directors to make informed decisions;
- To ensure all Directors exercise their skills, knowledge and expertise on key Board matters and assist the Board in achieving a consensus;
- To develop teamwork and a cohesive Board culture and facilitate formal and informal communication with and among Directors;
- To help ensure that action items established by the Board are tracked with the assistance of the Company Secretary and appropriate follow-up action is taken as necessary;
- To work with Committees' chairs to ensure that each Committee functions effectively and keeps the Board apprised of actions
- To chair annual and special meetings of shareholders; and
- To maintain a close working relationship with the Group Chief Executive.

Mr Michel Guy Rivalland was Chairman of the Board until August 20, 2024 and a brief profile is found on page 15.

PRINCIPLE 1: GOVERNANCE STRUCTURE (CONT'D)

Chairman of the Audit and Risk Committee

The Chairman of the Audit and Risk Committee ('ARC') works in close collaboration with the Chairman of the Board. He has the following responsibilities:

- To provide audit and risk expertise to the ARC;
- To ensure compliance with legal and regulatory requirements;
- To guide and advise the Board in the approval of an appropriate risk framework; and
- To ensure that an update report of each ARC meeting is presented to the Board;

Mr Charles Derblay, Chairman of the ARC resigned as director of the Company on May 24, 2024 and Mr Frederic Gerard Tyack, appointed on May 02, 2024, has been earmarked to take the chairmanship of the ARC. A brief profile of Messrs Derblay and Tyack are found on page 2(c).

APL does not have any employees at senior governance position. Messrs Jean Michel Pitot and Deenesh Seedoyal who are employed by Attitude Hospitality Management Ltd ('AHML') as Group Chief Executive Officer and Group Chief Financial Officer respectively sit on the Board of APL as Executive Directors in line with the Service Agreement between APL and AHML.

The Board has approved the organisation chart and statement of accountabilities and same is available on website.

PRINCIPLE 2: THE STRUCTURE OF THE BOARD AND ITS COMMITTEES

Board

The Board of APL has aimed to create the right balance and composition in such a way as to best serve the Company. Given the size and the sector of activities of the Company, the Directors consider that the current Board is of reasonable size and possesses the appropriate mix of competencies, experience, gender, skill and

independence to efficiently manage the affairs of the Company.

The Company is currently managed by a unitary Board of six members, residents of Mauritius, out of whom two (2) are Executive Directors, three (3) are Non-Executive and one (1) are Independent Non-Executive Director.

Members of the Board at June 30, 2024 are as follows:

Michel Guy Rivalland - resigned on August 20, 2024

(Chairman & Non-Executive Director)

Michel Guy Rivalland is a graduate in Economics, Bsc (Hons), from UK. He joined AXYS Group in 1999 and became a shareholder and Director in 2002. Since 1st July 2010 he stepped into the role of CEO of United Investments Ltd, a listed investment company on the Stock Exchange of Mauritius.

Directorship in listed companies: United Investments Ltd as Executive Director and Les Gaz Industriel Ltd as alternate Director

He contributed significantly in the expansion of the Group and successfully positioning Attitude brand in the mid and upper market segment. He was appointed as the Chief Operating Officer of the Group as from January 2019 and eventually promoted to Chief Executive Officer in January 2024.

Other directorship in listed companies: None

Board Committees

In line with the Code, the Board has delegated specific duties and responsibilities to the Board Committee namely the ARC which is authorised to obtain, at the Company's expense, professional advice both within and outside the Company in order to perform its duties. All corporate governance matters are addressed at Board level and should the need arise, the Board would set up a corporate governance committee.

The ARC assists the Board, among other things, in overseeing:

- The quality and integrity of financial statements;
- Ensuring that International Financial Reporting Standards are consistently being applied.
- The Company's compliance with legal and regulatory requirements;
- The scope and effectiveness of the external audit function as well as the qualifications, experience and independence of the external auditors;
- The effectiveness of the Company's systems of internal control and practices.

PRINCIPLE 2: THE STRUCTURE OF THE BOARD AND ITS COMMITTEES (CONT'D)

Board Committees (cont'd)

The ARC comprises of four directors as follows:

Members	Category
Charles Derblay (Chairman) – resigned on May 24, 2024	Independent
Jean Francois Desvaux De Marigny	Non-Executive
Deenesh Seedoyal	Executive
Natacha Emilien	Independent
Frederic Tyack – appointed on May 02, 2024	Independent

The composition of the ARC will be reassessed in the next financial year in line with the requirements of the Code which requires that the majority of the ARC members be independent.

The Committee shall review, if necessary, and reassess the adequacy of its Terms of Reference every five (5) years and discuss any required changes with the Board.

The minutes of the proceedings of the Audit and Risk Committee meetings are recorded by the Company Secretary and are entered in the Minutes Book.

corporate governance

PRINCIPLE 2: THE STRUCTURE OF THE BOARD AND ITS COMMITTEES (CONT'D)

Company Secretary

All Directors have access to the advice and services of the Company Secretary, NWT Secretarial Services Ltd, through its representative V.Oomadevi (Lavineea) Chetty, who is responsible for providing guidance to the Board as to their duties, responsibilities and powers. The Company Secretary is appointed by the Board in accordance with the Company's Constitution.

The Company Secretary ensures that the Board procedures are followed and that applicable rules and regulations as well as principles of good governance are adhered to.

Lavineea graduated in Economics and Finance from the University of Natal, South Africa. She is a Chartered Secretary and Chartered Governance Professional from The Chartered Governance Institute, UK. She previously worked as Underwriter in the Motor and General Insurance Department at Swan Insurance for ten years and as Company Secretary at Executive Services Ltd for 8 years. Lavineea joined NWT (Mauritius) Ltd as Company Secretary since 2015 and through NWT Secretarial Services Ltd provides company secretarial services to various companies within the AXYS Group.

PRINCIPLE 3: DIRECTOR'S APPOINTMENT PROCEDURES

All boards should have a Chairperson who may be independent. However, APL's Chairperson is not independent but necessary safeguards are in place to ensure that the Chairperson does not act biased towards Non-Executive Director's contribution towards the Board.

The Board is responsible in appointing Directors and major factors that are considered in the appointment procedures are:

- Skills, knowledge and expertise required on the Board;
- Skills, knowledge and expertise of the proposed Director;
- Balance on the Board such as gender and age;
- Fees requested by prospective Director; and
- Potential conflict of interest.

The appointment of new Directors is subject to confirmation by shareholders at the next Annual Meeting of Shareholders following their appointment.

As long as Attitude Hospitality Ltd holds at least twenty percent of the share capital of the Company, it will have the right to appoint half the number of directors ('Nominated Directors'). The Nominated Directors on the Board are Messrs Jean Michel Pitot and Deenesh Seedoyal. At each Annual Meeting of Shareholders two Directors, other than the Nominated Directors, who have been longest in office since their last election are required to retire and offer themselves for re-election.

The Board is also responsible for the succession planning and induction of new Directors. Newly appointed Directors receive a complete induction pack which includes his or her duties and responsibilities under the respective legislations. The Directors allocate sufficient time to the Company's operation. The new director has attended and participated in an induction and orientation process.

Though the Board does not organize or enrol its members on specific training session, it encourages all its Directors to keep on enhancing their knowledge and competencies through development programmes offered by various institutions in Mauritius.

PRINCIPLE 4: DIRECTOR'S DUTIES, REMUNERATION AND PERFORMANCE

Directors' and officers' interests in APL shares

The Directors follow the principles of the model code on securities transactions as detailed in the Mauritius Stock Exchange listing rules and in accordance with the Companies Act 2001, written records of the interests of the Directors and their closely related parties in APL's shares are kept in a Register of Directors' Interests by the Company Secretary. The register is available to shareholders upon request to the Company Secretary.

As soon as a Director becomes aware that he is interested in a transaction or that his holdings or his associates' holdings have changed, the interest should be reported to the Company in writing. The Register of Interests is updated with every transaction entered into by the Directors and persons closely associated with them. When it appears to be a conflict of interest, any Director who could have such a conflict of interest will abstain from discussions at Board or Committee meetings when the relevant matter is tabled.

Moreover, pursuant to the Securities Act 2005, APL registered itself as a reporting issuer with the Financial Services Commission ("FSC") and makes every effort to follow the relevant disclosure requirements. The Company keeps a Register of its Insiders and the said register is updated with the notification of interest in securities submitted by the Directors, the officers and the other insiders of APL.

List of Directors' Direct and Indirect Interest in APL as at June 30, 2024

Directors	Direct Shareholding		Indirect Shareholding
	Number of shares	Percentage (%)	Percentage (%)
Michel Guy Rivalland	-	-	1.67
Jean Francois Desvaux De Marigny	-	-	-
Jean Michel Pitot	-	-	9.36
Deenesh Seedoyal	20,000	0.012	0.17
Armelle Bourgault du Coudray	-	-	5.81
Charles Derblay	-	-	-
Natacha Emilien	-	-	-
Vincent Desvaux De Marigny	-	-	0.66
Rakesh Ramlagan	-	-	0.01

All the Directors on the Board are fully apprised of their fiduciary duties as laid out in the Mauritian Companies Act 2001.

corporate governance

PRINCIPLE 4: DIRECTOR'S DUTIES, REMUNERATION AND PERFORMANCE (CONT'D)

Related party transactions are disclosed on pages 75 and 76 to the Financial Statements. During the year under review, there were no material transactions between APL or any of its fellow subsidiaries and a Director, Chief Executive, controlling shareholder or companies owned or controlled by a Director, Chief Executive or controlling shareholder.

No fees were paid to the Executive Directors during the financial year. The Non-Executive Directors have not received remuneration in the form of share options or bonuses associated with organisational performance. A gross total fee of **Rs. 654,000** were paid during the financial year as shown in the below table:

Members	Total fees per Director (Rs)
Jean Francois Desvaux De Marigny	128,000
Charles Derblay	190,000
Natacha Emilien	128,000
Michel Guy Rivalland	130,000
Armelle Bourgault Du Coudray	78,000

The remuneration of the Non Executive Directors and Independent Non Executive Directors are approved by the Board of Directors on a yearly basis.

Board information is sent to the Directors at least one week before each Board meeting. Information is sent by Management who remain at the disposal of the Board members should they wish to obtain further clarification. The Company Secretary acts as a liaison between the Management and the Board.

Information Technology and IT security

Information management is an essential part of good IT governance, which in turn is a cornerstone in corporate governance. An integral part of the IT governance is information security, in particular pertaining to personal information.

An Information Technology (IT) Security Policy exist which identifies the rules and procedures for all individuals accessing and using an organisation's IT assets and resources. Effective IT Security Policy is a model of the organisation's culture, in which rules and procedures are driven from its' approach to information and work. Thus, an effective IT security policy is a unique document for each company, cultivated from its perspectives on risk tolerance, how the company sees and values their information, and the resulting availability that it maintains of that information.

The security policy document combines legal requirements and current best practice for an information security management policy for the Company. It provides a policy with information security objectives, strategy and defines roles and responsibilities.

Core principles for information security management, as defined in ISO/IEC 27002, are adapted to the local situation for the following areas:

- Risk assessment
- Organising information security
- Asset management
- Human resources security
- Physical security
- Communications and operations Management.
- Access control
- System development and Maintenance
- Information security incident Management
- Business continuity management
- Compliance

PRINCIPLE 5: RISK GOVERNANCE AND INTERNAL CONTROL

The Company is committed to the highest standards of integrity and ethical conduct in dealing with all its stakeholders. APL has adopted a Code of Ethics and this is available for consultation on its website.

The Board is responsible to identify and manage potential conflict of interest. The Board noted no conflict of interest during the year.

The Directors are responsible for maintaining an effective system of risk management and internal control which is reviewed on an annual basis. The governance of risk, the nature and risk appetite of the Company remain the ultimate responsibility of the Board which is assisted by management to monitor, implement and enforce internal controls to minimise risk as well as achieve strategic objectives.

While it is not possible to identify or anticipate every risk due to the changing business environment, the Company has an established risk management process to manage and mitigate those key risks which could impact on its activities. The process for identifying and managing risks are set by the Board and delegated to the ARC.

The following key risks have been identified, monitored, and evaluated by the ARC:

Financial risks

In a property rental business, the first, foremost and greatest financial risk is linked to the tenant's inability to pay its rent. Although the Company has signed a long-term rental agreement with its tenants, there is no guarantee that the tenants will always settle its rental dues in a timely manner. Moreover, Attitude Hospitality Ltd (AHL) acts as a guarantor and in the event that AHL defaults on its rent, this will give rise to a material breach of contract as stipulated under Section 19 of the rental agreement resulting in remedial as well as legal action being taken.

The Board is responsible for the governance of this key risk.

Please refer to note 16 of the financial statements for details of the financial risks of APL and how these are managed.

Operational Risks

Operational risk are risks of loss and/or opportunity gain foregone resulting from inadequate or failed internal processes, people, systems or external events. These losses may be caused by one or more of the following:

- a) Risk from fluctuations in tourist arrivals

As the owner of beach-front real-estate premises suitable for use as short-term rentals aimed at holiday makers – both local and foreign – APL's risk of non-rental payment is linked to the tenant's financial health which is directly linked to its business model as well as the state and wealth of holiday makers. APL's steady income flow from rental fees is thus directly linked to the soundness of its tenant's hotel operations and more generally, the health of the tourism industry.

- b) Economic risk and Concentration risk

In terms of risk mitigation measures with respect to the tourism sector, APL is not in a position to influence country-level nor worldwide macro-economics. As such, APL is subject to risks linked to economic, social, environmental, and political factors in both Mauritius and in countries from where its tenant derives its business revenue. APL's tenant's business risk is not only linked to the multitude of above mentioned factors but also to reputational, foreign exchange fluctuations, and interest rate volatility risks. The ultimate risk for APL is thus related to the general soundness of the tourism industry in Mauritius which is, in turn, linked to the health of AHL's business which is then linked to the rental income to be perceived by APL.

To counter this risk during the Covid-19 and post-covid 19 period, APL is in constant liaison with its tenants with respect to the timing of rental receipts.

corporate governance

PRINCIPLE 5: RISK GOVERNANCE AND INTERNAL CONTROL (CONT'D)

c) Natural disaster and Damage risk

Another risk factor lies with the risk of structural damage or other types of damage on APL's properties as a result of fire, theft, intentional infliction of damage or other acts of God. As a preventive measure, APL has subscribed to insurance against damage of property. The risk shifts to the possibility of the insurer refusing or being unable to settle the amount required to make good of damages to APL's property or properties.

PRINCIPLE 6: REPORTING WITH INTEGRITY

The Board is responsible for the preparation of the financial statements in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board ("IFRS Accounting Standards") which fairly present the state of affairs of the Company. The financial and operational performance of the Company is detailed in the Annual Report which is available on the Company's website.

Corporate Social and Environmental Responsibility

At Attitude, we are conscious of the social, environmental, and economic problems which are building up around the world. Mauritius island is home to sensitive ecosystems, and we owe it to ourselves to protect it.

We are aware of the adverse effects our hotel operations can have on these environments, and our aim is to achieve a balance between human activities and environmental preservation.

At Attitude, we also believe that a holistic and inclusive approach is required, based on the Sustainable Development Goals of the United Nations. Although our strategy includes and incorporates all the SDGs, our Group focuses

mainly on three goals where clear objectives are set, and the results can be quantified and translated to ensure that the targets are being met. These three objectives are in fact closely linked to Hospitality, our group's main activity and are therefore priorities:

- SDG 8: Decent work and economic growth
- SDG 12: Responsible consumption and production
- SDG 14: Life below water

Since its creation in 2008, Attitude promoted and supported the local economy and community through its initiatives. The Group's focus on sustainable tourism has grown over the years to become central to its purpose. Far more than a results-oriented company, Attitude is now a company with a purpose.

Jean-Michel Pitot, CEO of Attitude Hospitality Ltd, says: "Tourism should benefit the whole island and do good, even after the holiday is over. It isn't easy and we don't have all the answers, but we do have the drive to innovate and lead the change. As well as our desire to preserve the island's cultural and environmental heritage, we want to bring about a change in behaviour and raise awareness. The movement intends to unite guests, our partners and the wider tourism industry to follow a model for sustainable development."

In 2020, the Group experienced a significant acceleration as it introduced its sustainable strategy built around three fundamental commitments of sustainable development that align with the group's core mission: "Attitude, committed to tourism with a positive impact".

PRINCIPLE 6: REPORTING WITH INTEGRITY (CONT'D)

Attitude focus on three key goals:

Protecting the environment

As a hotelier, and an economic player that benefits from a luxuriant nature, especially the lagoon, we believe we need to actively participate in its preservation.

- We actively contribute to preserving our lagoon through our Marine Discovery Centre, which focuses on raising awareness, conducting educational initiatives, and carrying out scientific research projects on the lagoon and marine environment in collaboration with local and regional partners.
- We encourage suppliers to consider a better environmental footprint by reducing packaging, banning single use plastic, and also by studying product lifecycle.
- We are committed to zero single-use plastic within the guest journey.
- Each year we set ourselves new reduction targets for electricity and water consumption.
- Since July 01, 2023, 30% of our dishes in our 4-star hotels are vegetarian and vegan.
- Reducing chemical use with 95% natural products in room and biodegradable cleaning products, reducing energy consumption thanks to solar energy devices but also natural ventilation, flow restrictors.
- We implemented a waste management program across all of our hotels, emphasizing on the segregation and recycling of waste materials.
- As a player committed to sustainable development in Mauritius, we have joined the Climate Fresk project and we started to train 200 Family Members in a Climate Fresk workshop in 2023.
- All our hotels are certified Travelife Gold since 2017.
- We calculate our Scope 1, 2, and 3 emissions that will help us develop a strategy for reducing carbon emissions in our operations.

corporate governance

PRINCIPLE 6: REPORTING WITH INTEGRITY (CONT'D)

Supporting the local economy

- We mainly source from Mauritian producers, whenever possible, and build strong partnerships that directly benefits the local economy.
- We fund small local businesses if they align with Attitude's purpose. The first beneficiary was Kokodezil, which offers handmade organic beauty products from locally sourced natural ingredients and the second one, 'Topo Sorbe', natural, local and plastic free ice creams.
- We prioritize sourcing food locally whenever possible, unless it cannot be grown or produced on the island. For example, farmers Mr and Mrs Mayaven provide the hotels with salad and vegetables, supporting 20 jobs in a small Mauritian village.
- Additionally, Mr and Mrs Chetty prepare all the traditional dhol puris served at the hotels' street food vans, offering guests an authentic taste of Mauritian home cooking.
- We have been recognized with the 'Made in Moris' label, thanks to our commitment to employing local people, collaborating with local suppliers and artists, and promoting products that are locally made.

Supporting the local economy (cont'd)

- To ensure the local value of our supply chain, 52% of all our Food & Beverages sourcing is from Made in Moris companies.
- We are associated with Mu Pop-Up Store to reinforce the visibility of the artisanal creations and local know-how in each of our Otentik Bazar (our hotels shops) to showcase creations of local artisans and entrepreneurs.
- 75% of the last two hotel renovation projects were sourced locally.

Caring for the local community

- True to our commitment from the very beginning, we remain dedicated to supporting Mauritian artists and our Family Members to preserve and promote our local heritage.

- Attitude has been awarded the label 'Great Place to Work' and remains committed to supporting the professional and personal development of our Family Members (employees). Company initiatives include a university scholarship grant for a child of one of the Attitude Family Members per year.
- Guests are encouraged to experience an authentic slice of Mauritius through its Otentik experiences. These include having dinner with a local family, where 100% of the cost goes directly to the hosting family, but also handcraft markets with 100% local artisans' products in the hotels with no profit for the group.
- Attitude is committed to gender equality and to inclusivity. We have implemented an inclusive grooming policy, developed trainings on gender stereotypes, and created gender-neutral customer packages.
- Attitude supports local talents. The hotels are decorated using creations from local artists and photographers; and Attitude Hotels holds an annual music competition, giving Mauritian musicians the platform to grow and win the production of an album and music video. Many of the musicians perform at Attitude Hotels, giving guests the chance to hear up-and-coming talent.
- Since 2023, Attitude is a purpose-driven company, meaning that at Attitude, we strive to create value for all our stakeholders (including guests, employees, and providers), not just for the company itself (and its shareholders). We have developed a mission statement founded on social and environmental objectives. This mission acts as a compass, pushing us all to strike the right balance between economic performance and societal impact.

PRINCIPLE 7: AUDIT

Internal Audit

The Board ensures that its internal control systems and reporting arrangements are such so as to provide for the effective, prudent and efficient administration of the Company's assets and liabilities.

PRINCIPLE 7: AUDIT (CONT'D)

To ensure that the system of internal control is operating to an acceptable standard and that the risk management policies in place are adequate in managing risks in a manner acceptable to the Board, the Company has outsourced its internal audit function to Messrs UHY Advisory Ltd ('UHY') who reports to the Audit and Risk Committee. UHY have unlimited access to the Company's accounting database, administrative systems and documents.

Internal Audit reports prepared by Messrs UHY are circulated to management and members of the ARC following which necessary recommendations are made to the Board and during the year under review two internal audit exercises were carried out due.

The internal audit function maintains its independence and objectivity by carrying out internal audits, whose scope has been set by the Audit and Risk Committee.

Remedial actions to address findings are identified with the relevant management teams, who assign responsibility and a deadline to each action to enforce accountability to remediate these gaps. The internal auditor also performs desktop follow-up reviews on the audit exercises conducted to ensure that the necessary remedial actions have been duly and effectively implemented.

UHY has a specialist team of internal auditors in Mauritius who are part of a larger multi-disciplinary consulting team. It leverages this team to ensure that the internal audits conducted at ATTITUDE PROPERTY LTD are resourced with the appropriate mix of experience, knowledge and skills. Members of this team are university graduates who hold recognised international qualifications in their respective fields (e.g. ACCA, Institute of Chartered Accountants of England & Wales, Certified Internal Auditors (CIA)). This team can advise APL on improvements needed, and share leading practices based on first-hand experience of working across many geographies for UHY clients. Members of this specialist team are continuously trained in leading internal audit.

UHY maintains the independence and objectivity of its staff who are part of the internal audit

team through strict UHY independence related policies that apply to all staff, regular training and awareness on these subjects, as well as regular verification of the compliance of partners and executives with UHY independence-related policies.

The following audit reviews were carried out and tabled at the ARC meetings during the year under review:

- Evaluation of insurance coverage

External Audit

The current auditor is BDO & Co and has been appointed on November 09, 2020 and the tenure of office will be reviewed in due course in line with good governance.

The ARC is responsible for reviewing with the external auditor the letter of engagement, terms and nature of the audit scope and approach and ensure that no restrictions or limitations have been placed on the scope. The external auditor reports directly to the ARC which is also responsible for monitoring the external auditor's independence, objectivity and compliance with ethical, professional and regulatory requirements. The ARC meets with the external auditor without management presence when required and for the year under review no such meeting was held.

Auditors are expected to observe the highest standards of business and professional ethics and, in particular, that their independence is not impaired in any manner. Audit fees are set in a manner that enables an effective external audit and are as follows for the year under review:

	THE COMPANY	
	2024	2023
	Rs'000	Rs'000
Audit services - BDO & CO	600	540

No non-audit services were provided by the external auditor during the year under review.

The Audit Committee has discussed critical policies, judgements and estimates with the external auditor.

corporate governance

PRINCIPLE 8: RELATIONS WITH SHAREHOLDERS AND OTHER KEY STAKEHOLDERS

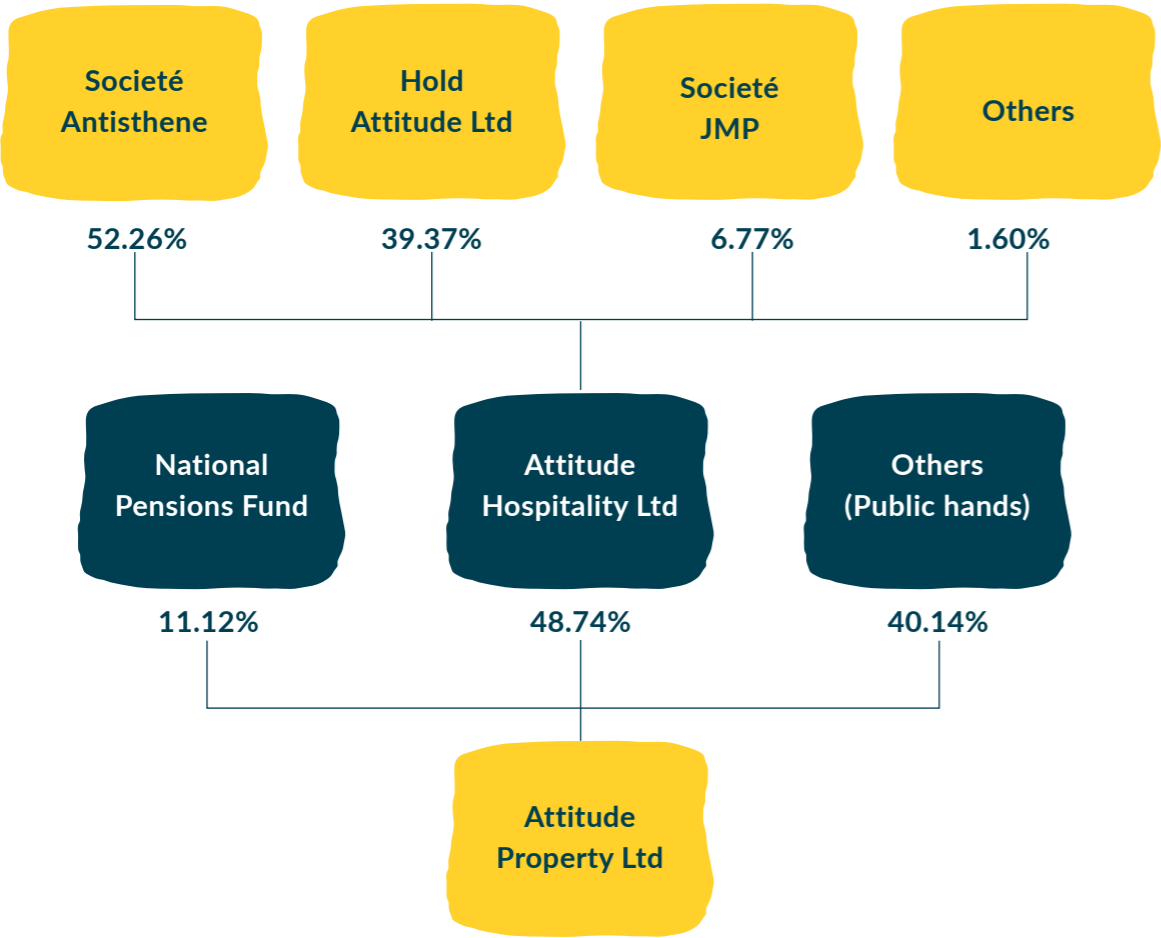

Shareholder Information

The Board of Directors places great importance on an open and transparent communication with all the stakeholders of the Company. It also endeavours to regularly inform the shareholders on matters affecting the Company by announcements in the press, communiqué on the Company's website and disclosures in the Annual Report and at the Annual Meeting of shareholders.

Relevant stakeholders have been involved in a dialogue on the organizational position, performance and outlook.

The shareholding structure of the Company as at June 30, 2024 was as follows:

Group Structure

PRINCIPLE 8: RELATIONS WITH SHAREHOLDERS AND OTHER KEY STAKEHOLDERS (CONT'D)

The following shareholders held 5% or more of the shareholding of the Company as at June 30, 2024.

Shareholders	% Holding
Attitude Hospitality Ltd	48.74%
National Pensions Fund	11.12%

Shareholders' information and Calendar of Events

Publication of 1 st quarter results	November 2024
Annual Meeting of Shareholders	December 2024
Publication of 2 nd quarter results	February 2025
Publication of 3 rd quarter results	May 2025
Publication of audited financial statements for the year ended June 30, 2024	September 2024

Key stakeholders have been identified by ATTITUDE PROPERTY LTD and has reasonable measures have been taken to respond to their expectations and interests.

Dividend Policy

100% of distributable re-current Profit After Tax will be paid as dividends to its shareholders, subject to sufficient levels of reserves, cash flow and the solvency test being met.

Donations

The Company made no social or political donations during the year under review (2023: Nil).

statement of compliance

Name of PIE: ATTITUDE PROPERTY LTD

Reporting Period: June 30, 2024

We, the Directors of ATTITUDE PROPERTY LTD confirm that to the best of our knowledge ATTITUDE PROPERTY LTD has complied with all its obligations and requirements under the National Code of Corporate Governance for Mauritius (2016) (the 'Code') except for the following:

Principles	Reasons for non-compliance
Principle 2: Composition of the Audit and Risk Committee	The Board will reassess the composition of the Audit and Risk Committee in the next financial year.
Principle 4: Board evaluation process and development plan	No evaluation regarding the effectiveness of the Board, its committees and its individual directors have been conducted for the year under review.

Director

statement of directors' responsibilities

The Company's Directors are responsible for the preparation and fair presentation of the financial statements, comprising the statement of financial position at June 30, 2024 the statement of profit or loss and other comprehensive income, the statement of changes in equity, and statement of cash flows, and the notes to the financial statements, which include accounting policy information and other explanatory notes, in accordance with IFRS Accounting Standards and in compliance with the requirements of the Mauritian Companies Act 2001.

The Director's responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of these financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting judgments and estimates that have been used consistently.

The Directors have made an assessment of Company's ability to continue as a going concern and have no reason to believe the business will not be a going concern in the year ahead.

The Directors report that the external auditor is responsible for reporting on whether the financial statements are fairly presented.

The Directors confirm that

- (i) adequate accounting records and an effective system of internal controls and risk management have been maintained;
- (ii) appropriate accounting policies supported by reasonable and prudent judgements and estimates have been used consistently;
- (iii) IFRS Accounting Standards have been complied with.

The Directors confirm that the Code of Corporate Governance has been adhered to, except to those disclosed in the Statement of Compliance on page 30.

certificate from the company secretary

For the year ended June 30, 2024

independent auditor's report

To the Shareholders of Attitude Property Ltd

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Attitude Property Ltd (the “Company”), set out on pages 42 to 83 which comprise the statement of financial position as at June 30, 2024, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board (“IFRS Accounting Standards”) and comply with the Mauritian Companies Act 2001.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (“ISAs”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants’ International Code of Ethics for Professional Accountants (including International Independence Standards) (the “IESBA Code”). We have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters (cont'd)

Valuation of investment properties

Refer to significant accounting judgements, estimates and assumptions (note 2.5), material accounting policy information (note 2.6 (b)) and investment properties (note 3 (a)) to financial statements

KEY AUDIT MATTER	AUDIT RESPONSE
Investment Properties amounted to Rs. 2,817m on the Company's Statement of Financial Position at June 30, 2024.	Our audit procedure in respect of this key au-dit matter included, amongst other: <ul style="list-style-type: none">- Assessing the design and implementation of the key controls relating to the valua-tion of investment properties.
Investment properties are fair valued every 3 years by external independent valuer, un-less there is evidence that the fair value of an asset differs materially from the carrying amount. The last independent valuation was carried at June 13, 2022	<ul style="list-style-type: none">- Obtaining the valuation working prepared by management and assess that key as-sumptions used are reasonable and in line with industry benchmark.- Testing the mathematical accuracy of nu-merical inputs used in the valuation mod-els.
The fair value of Investment Properties at June 30, 2024 has been determined by management on the same basis as the last independent valuation carried at June 13, 2022, using the income approach.	<ul style="list-style-type: none">- Challenged the appropriateness of the valuation method and assumptions used such as growth rate and discount rates de-termined, in deriving the discounted cash flow by comparing these assumptions to our internally derived expectations based on historical performance of the busi-nesses as well as industry benchmark.- Satisfying ourselves that the techniques used in the income-based approach value models by management are appropriate in the circumstances and have been applied consistently.
This matter was considered to be one of most significance in the audit of the Com-pany financial statements due to the material balance of investment properties on the Company's financial statements and signifi-cant judgements and estimates involved in arriving at the fair value.	<ul style="list-style-type: none">- Making enquiries with management with regards to the inputs to the valuation and requested management representation.- Reviewing the completeness and adequa-cy of the disclosure in the financial state-ments for compliance with IFRS Account-ing Standards, including disclosure on significant inputs and sensitivity analysis.

independent auditor's report

To the Shareholders of Attitude Property Ltd

Other Information

The Directors are responsible for the other information. The other information comprises mainly of the information contained in the Annual Report, including Statutory Disclosures, Corporate Governance Report, Statement of Directors' Responsibilities, Statement of Compliance, and Certificate from the Company Secretary, but does not include the financial statements and our auditor's report thereon. All other information in the Annual Report, except those disclosed above, will be made available to us after the auditor's report date. If we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Our opinion on the financial statements does not cover the other information and we do and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors for the Financial Statements

The Directors are responsible for the preparation and fair presentation of the financial statements in accordance with IFRS Accounting Standards and in compliance with the requirements of the Mauritian Companies Act 2001, and for such internal control as the Directors determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (cont'd)

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Directors.
- Conclude on the appropriateness of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

independent auditor’s report

To the Shareholders of Attitude Property Ltd

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Mauritian Companies Act 2001

The Mauritian Companies Act 2001 requires that in carrying out our audit we consider and report on the following matters. We confirm that:

- We have no relationship with, or interests in, the Company, other than in our capacity as auditor, and dealings in the ordinary course of business.
- We have obtained all information and explanations we have required.
- In our opinion, proper accounting records have been kept by the Company as far as it appears from our examination of those records.

Mauritian Financial Reporting Act 2004

Our responsibility under the Mauritian Financial Reporting Act 2004 is to report on the compliance with the Code of Corporate Governance (“Code”) disclosed in the Annual Report and assess the explanations given for non-compliance with any requirement of the Code. From our assessment of the disclosures made on corporate governance in the Annual Report, the Company has, pursuant to Section 75 of the Mauritian Financial Reporting Act 2004, complied with the requirements of the Code.

Other Matter

This report is made solely to the Company’s shareholders, as a body, in accordance with Section 205 of the Mauritian Companies Act 2001. Our audit work has been undertaken so that we might state to the Company’s shareholders those matters we are required to state to them in an auditor’s report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company’s shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

notes to the financial statements

Year ended June 30, 2024

1. CORPORATE INFORMATION

Attitude Property Ltd (the “Company” or “APL”) is a public company incorporated on July 04, 2013 and domiciled in Mauritius. Its registered office is situated at NWT Secretarial Services Limited, 7th floor, Dias Pier Building, Le Caudan Waterfront, Port Louis. Its holding company is Attitude Hospitality Ltd, a company incorporated in Mauritius.

The ordinary shares of Attitude Property Ltd were listed on the Stock Exchange of Mauritius under the Development and Enterprise Market in September 2015.

1.1 PRINCIPAL ACTIVITIES

The Company’s main activity is the rental of investment properties. Its tenants are involved in hotel operations.

2. ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements have been prepared on a historical cost basis, except for investment properties that have been measured at fair value. The financial statements are presented in Mauritian Rupees (“Rs”) and all values are rounded to the nearest rupees, except when otherwise indicated.

Statement of compliance

The financial statements of Attitude Property Ltd have been prepared in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board (“IFRS Accounting Standards”), and comply with the Mauritian Companies Act 2001.

Going concern

The Directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future.

As part of this assessment the Board of Directors of the Company considered:

- The operational resilience of the Company’s critical functions to maintain risk management and compliance, including IT, Finance, Treasury and Operations;
- The regulatory and legal environment and any potential conduct risks which could arise;
- Fair value of investments properties as determined by the Company’s valuation techniques described in note 3, as well as the projected short-term impact on the ability to generate earnings and cash flows and also the longer-term view of their ability to recover.

2. ACCOUNTING POLICIES (CONT'D)

2.2 Standards, Amendments to published Standards and Interpretations effective in the reporting period

IFRS 17 Insurance contracts

IFRS 17 creates one accounting model for all insurance contracts in all jurisdictions that apply IFRS Accounting Standards. IFRS 17 requires an entity to measure insurance contracts using updated estimates and assumptions that reflect the timing of cash flows and take into account any uncertainty relating to insurance contracts. The financial statements of an entity will reflect the time value of money in estimated payments required to settle incurred claims. Insurance contracts are required to be measured based only on the obligations created by the contracts. An entity will be required to recognise profits as an insurance service is delivered, rather than on receipt of premiums. This standard replaces IFRS 4 - Insurance Contracts. The amendments have no impact on the Company’s financial statements.

IAS 1 Presentation of Financial Statements & IFRS Practice Statement 2 Making Materiality Judgements

Disclosure of Accounting Policies: The amendments require companies to disclose their material accounting policy information rather than their significant accounting policies, with additional guidance added to the Standard to explain how an entity can identify material accounting policy information with examples of when accounting policy information is likely to be material. These amendments have no effect on the measurement or presentation of any items of the Company’s financial statements but affect the disclosure of accounting policies of the Company. During the year, only material accounting policy information is disclosed in the Company’s financial statements.

IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors

Definition of Accounting Estimates: The amendments clarify how companies should distinguish changes in accounting policies from changes in accounting estimates, by replacing the definition of a change in accounting estimates with a new definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. The requirements for recognising the effect of change in accounting prospectively remain unchanged. The amendments have no impact on the Company’s financial statements.

IAS 12 Income Taxes

Deferred Tax related to Assets and Liabilities arising from a Single Transaction: The amendment clarifies how a company accounts for income tax, including deferred tax, which represents tax payable or recoverable in the future. In specified circumstances, companies are exempt from recognising deferred tax when they recognise assets or liabilities for the first time. The aim of the amendments is to reduce diversity in the reporting of deferred tax on leases and decommissioning obligations, by clarifying when the exemption from recognising deferred tax would apply to the initial recognition of such items. The amendments have no impact on the Company’s financial statements.

International Tax Reform – Pillar Two Model Rules: The amendments provide a temporary exception to the requirements regarding deferred tax assets and liabilities related to pillar two income taxes. The amendments have no impact on the Company’s financial statements.

notes to the financial statements

Year ended June 30, 2024

2. ACCOUNTING POLICIES (CONT'D)

2.3 Standards, Amendments to published Standards and Interpretations issued but not yet effective

Certain standards, amendments to published standards and interpretations have been issued that are mandatory for accounting periods beginning on or after January 1, 2024 or later periods, but which the Company has not early adopted.

Effective date January 1, 2024

IAS 1 Presentation of Financial Statements

Classification of Liabilities as Current or Noncurrent: Narrow-scope amendments to IAS 1 to clarify how to classify debt and other liabilities as current or non-current.

Non-current Liabilities with Covenants: Subsequent to the release of amendments to IAS 1 Classification of Liabilities as Current or Non-Current, the IASB amended IAS 1 further in October 2022. If an entity's right to defer is subject to the entity complying with specified conditions, such conditions affect whether that right exists at the end of the reporting period, if the entity is required to comply with the condition on or before the end of the reporting period and not if the entity is required to comply with the conditions after the reporting period. The amendments also provide clarification on the meaning of 'settlement' for the purpose of classifying a liability as current or non-current.

IFRS 16 Leases

Lease Liability in a Sale and Leaseback: The amendment clarifies how a seller-lessee subsequently measures sale and leaseback transactions that satisfy the requirements in IFRS 15 to be accounted for as a sale.

IAS 7 Statement of Cash Flows & IFRS 7 Financial Instruments: Disclosures

Supplier Finance Arrangements: The amendments add disclosure requirements, and 'signposts' within existing disclosure requirements, that ask entities to provide qualitative and quantitative information about supplier finance arrangements

Effective date January 1, 2025

IAS 21 The Effects of Changes in Foreign Exchange Rates

Lack of Exchangeability: The amendments contain guidance to specify when a currency is exchangeable and how to determine the exchange rate when it is not.

Effective date January 1, 2026

Classification and Measurement of Financial Instruments: The amendments clarify that a financial liability is derecognised on the 'settlement date' and introduce an accounting policy choice to derecognise financial liabilities settled using an electronic payment system before the settlement date. Other clarifications include the classification of financial assets with ESG linked features via additional guidance on the assessment of contingent features. Clarifications have been made to non-recourse loans and contractually linked instruments. Also, additional disclosures have been introduced for financial instruments with contingent features and equity instruments designated at fair value through other comprehensive income.

2. ACCOUNTING POLICIES (CONT'D)

2.3 Standards, Amendments to published Standards and Interpretations issued but not yet effective (cont'd)

Effective date January 1, 2027

IFRS 18 Presentation and Disclosure in Financial Statements

Presentation and disclosure in financial statements: IFRS 18 introduces new requirements on presentation within the statement of profit or loss, including specified totals and subtotals presented within the statement of profit or loss within one of the following five categories – operating, investing, financing, income taxes, and discontinued operations. It also requires disclosure of management-defined performance measures and includes new requirements for aggregation and disaggregation of financial information based on the identified 'roles' of the primary financial statements and the notes. In addition, it brings about consequential amendments to other accounting standards. This standard replaces IAS 1 - Presentation of Financial Statements.

IFRS 19 Subsidiaries without Public Accountability: Disclosures

Subsidiaries without Public Accountability: Disclosures: IFRS 19 is a non-mandatory standard. It specifies the disclosure requirements that eligible subsidiaries are permitted to apply instead of the disclosure requirements in other IFRS accounting standards. It allows eligible entities to benefit from reduced disclosure requirements while still applying the recognition, measurement and presentation requirements in other IFRS accounting standards. Subsidiaries are eligible to apply IFRS 19 if they do not have public accountability and their parent, intermediate parent or ultimate parent company produces consolidated financial statements available for public use that comply with IFRS Accounting Standards.

2.4 The effective date of this amendment has been deferred indefinitely until further notice

IFRS 10 Consolidated Financial Statements:

Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28): Narrow scope amendment address an acknowledged inconsistency between the requirements in IFRS 10 and those in IAS 28 (2011), in dealing with the sale or contribution of assets between an investor and its associate or joint venture.

IAS 28 Investments in Associates and Joint Ventures:

Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28): Narrow scope amendment to address an acknowledged inconsistency between the requirements in IFRS 10 and those in IAS 28 (2011), in dealing with the sale or contribution of assets between an investor and its associate or joint venture.

Where relevant, the Company is still evaluating the effect of these standards, Amendments to published Standards and Interpretations issued but not yet effective, on the presentation of its financial statements.

The preparation of financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The assets involving a higher degree of judgement or complexity or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2.5.

notes to the financial statements

Year ended June 30, 2024

2. ACCOUNTING POLICIES (CONT'D)

2.5 Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the assets or liabilities affected in future periods.

Judgements

Operating lease (Building and property; excluding leasehold land)- company as lessor

The Company has entered into property lease on its investment properties (defined as building and furniture fittings) portfolio. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases. Refer to Note 19 for further details.

Going concern

The financial statements have been prepared on a going concern basis which assumes that the Company will continue in operational existence for the foreseeable future. The validity of this assumption depends on the continued support of the shareholders. The Directors are of the opinion that this support will be forthcoming over the next twelve months. They therefore believe that it is appropriate for the financial statements to be prepared on a going concern basis.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is discussed below:

Investment properties

In arriving at the fair value of the Investment properties, which was determined on an income approach basis, the Directors had to make assumptions and estimates that were mainly based on market conditions existing at June 30,2024. Should these assumptions and estimates change, or not be met, the valuation as adopted in the financial statements will be affected.

Deferred tax assets

In relation to Note 9(a) of the financial statements, deferred tax assets are recognised for all unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies. The Directors have made an assessment and believe that the deferred tax assets are recoverable.

2. ACCOUNTING POLICIES (CONT'D)

2.5 Significant accounting judgements, estimates and assumptions (cont'd)

Estimates and assumptions (cont'd)

Deferred taxation on investment property

For the purposes of measuring deferred tax liabilities or deferred tax assets arising from investment property that is measured using the fair value model, the Directors have reviewed the Company's investment property and concluded that the Company's investment property is held under a business model whose objective is to consume substantially all of the economic benefits embodied in the investment property over time, rather than through sale, hence rebutting the sale presumption. As a result, the Company has recognised deferred taxes on changes in fair value of investment property.

Impairment of financial assets

The loss allowances for financial assets are based on assumptions about risk of default and expected loss rates. The Company use judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period. The details are provided in note 4.

2.6 Accounting policy information

(a) Foreign currency translation

Functional and presentation currency

The financial statements are presented in Mauritian Rupees ("Rs."), which is also the functional and presentation currency of the parent company, Attitude Hospitality Ltd. The items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the "functional currency").

(b) Investment properties

Investment properties of the Company comprise completed property and property under development or re-development that is held, or to be held, to earn rentals or for capital appreciation or both. Property held under a lease is classified as investment property when it is held to earn rentals or for capital appreciation or both, rather than for sale in the ordinary course of business or for use in production or administrative functions.

Investment properties comprise hotel properties that are occupied substantially for use by, or in the operations of, the Company, nor for sale in the ordinary course of business, but are held primarily to earn rental income and capital appreciation. These buildings are substantially rented to tenants and not intended to be sold in the ordinary course of business.

Investment properties are measured initially at cost, including transaction costs. Transaction costs include transfer taxes, professional fees for legal services and (only in case of investment property held under a lease) initial leasing commissions to bring the property to the condition necessary for it to be capable of operating.

notes to the financial statements

Year ended June 30, 2024

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(b) Investment properties (cont'd)

Subsequent to initial recognition, investment properties are stated at fair value, which reflects market conditions at the reporting date. Gains or losses arising from changes in the fair values of investment properties are included in profit or loss in the period in which they arise, including the corresponding tax effect. For the purposes of these financial statements, in order to avoid double counting, the fair value reported in the financial statements is:

- Reduced by the carrying amount of any accrued income resulting from the spreading of lease incentives and/or minimum lease payments
- Adjusted accordingly, if a valuation obtained for a property is net of all payments expected to be made. Any recognised lease liability is added back.

Transfers are made to (or from) investment properties only when there is evidence of a change in use (such as commencement of development or inception of an operating lease to another party).

Investment properties are derecognised either when it has been disposed of (i.e., at the date the recipient obtains control of the investment property in accordance with the requirements for determining when a performance obligation is satisfied in IFRS 15) or when it is permanently withdrawn from use and no future economic benefit is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition. In determining the amount of consideration to be included in the gain or loss arising from the derecognition of investment property, the Company considers the effects of variable consideration, the existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any) in accordance with the requirements for determining the transaction price in IFRS 15.

(c) Financial assets

(i) Classification

In accordance with IFRS 9, the Company classifies its financial assets and financial liabilities at initial recognition into the categories of financial assets and financial liabilities discussed below.

In applying that classification, a financial asset or financial liability is considered to be held for trading if:

- (a) It is acquired or incurred principally for the purpose of selling or repurchasing it in the near term; or
- (b) On initial recognition, it is part of a portfolio of identified financial instruments that are managed together and for which, there is evidence of a recent actual pattern of short-term profit-taking; or
- (c) It is a derivative (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument)

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(c) Financial assets (cont'd)

(ii) Initial recognition and measurement

At initial recognition, financial assets are measured at fair value.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which Company has applied the practical expedient are measured at the transaction price.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

(iii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified as financial assets at amortised cost using the effective interest rate, adjusted for any loss allowance.

(iv) Derecognition

A financial asset is primarily derecognised when:

- The rights to receive cash flows from the asset have expired; or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

notes to the financial statements

Year ended June 30, 2024

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(c) Financial assets (cont'd)

(iv) Derecognition (cont'd)

- When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of its continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

(d) Impairment of financial assets

The Company recognises an allowance for ECLs for trade receivables with its related parties that are not covered or partly covered by an insurance policy. ECLs are based on the difference between the contractual cash flows due and all the cash flows that the Company expects to receive.

For trade receivables, the Company applies a simplified approach in calculating ECLs. The Company makes use of the roll rate methodology. It predicts the probability of default based on delinquency and calculates the percentage of debtors' balance in each bucket that deteriorate to the next bucket in the following month.

Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. The Company considers a financial asset in default when contractual payments are 90 days past due.

However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. When the trade receivables are referred to attorneys and there is no reasonable expectation of recovery the debtors are written off. The information about the ECLs on the Company's trade receivables is disclosed in note 4.

The net investment in lease receivable is subsequently measured at amortised cost using the effective interest method, reduced by future lease receipts net of interest earned. The net investment in lease receivable is assessed for impairment in line with impairment principals applied for financial assets. Interest income and any applicable impairment costs are recorded in the statement of comprehensive income.

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(d) Impairment of financial assets (cont'd)

In assessing whether the credit risk on financial instruments has increased significantly since initial recognition, the Company compares the risk of default occurring on the financial instruments at the reporting date with the risk of default occurring on the financial instrument at the date of initial recognition. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly since initial recognition:

- An actual or expected significant deterioration in the financial instrument's external (if available) or internal credit rating.
- Existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the tenant's ability to meet its debt obligations.
- An actual or expected significant deterioration in the operating results of the tenant.
- Significant increases in credit risk on other financial instruments of the same tenant.
- An actual or expected significant adverse change in the regulatory, economic, or technological environment of the tenant that results in a significant decrease in the tenant's ability to meet its debt obligations.

Irrespective of the outcome of the above assessment, the Company presumes that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due, unless the Company has reasonable and supportable information that demonstrates otherwise.

Despite the foregoing, the Company assumes that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial instrument is determined to have low credit risk at the reporting date. A financial instrument is determined to have low credit risk if:

- The financial instrument has a low risk of default.
- The tenant has a strong capacity to meet its contractual cash flow obligations in the near term.
- Adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

notes to the financial statements

Year ended June 30, 2024

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(d) Impairment of financial assets (cont'd)

Internal credit risk rating grade of the Company is as follows:

Category	Description	Basis for recognising expected credit losses
Performing	The counterparty has a low risk of default and does not have any past due amounts.	12-month ECL
Doubtful	Amount is >30 days past due or there has been a significant increase in credit risk since initial recognition.	Lifetime-ECL not credit impaired
In default	Amount is >120 days past due or there is evidence indicating the asset is credit-impaired.	Lifetime-ECL credit impaired
Write-off	There is evidence indicating that the tenant in severe financial difficulty and the Company has no realistic prospect of recovery.	Amount is written off

The Company determine that receivables are 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- Significant financial difficulty of the tenant;
- A breach of contract such as a default or being past due the agreed credit term; or
- It is probable that the tenant will enter bankruptcy or other financial reorganisation.

Receivables are written off when there is no reasonable expectation of recovery.

Indicators that there is no reasonable expectation of recovery include, amongst others, the failure of a tenant to engage in a repayment plan with the Company, and a failure to make contractual payments for a period of greater than 120 days past due.

(e) Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as appropriate. All financial liabilities are recognised initially at fair value net of directly attributable transaction costs.

The Company's financial liabilities include lease liabilities, trade and other payables, interest-bearing loans and borrowings.

2. ACCOUNTING POLICIES (CONT'D)

(e) Financial liabilities (cont'd)

(ii) Subsequent measurement

The measurement of financial liabilities is described below:

Financial liabilities at amortised cost

After initial recognition, trade and other payables, interest-bearing loans and borrowings, are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit or loss.

(iii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(f) Leases

The Company as lessor

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

(i) Lease of land under finance lease - sub lease arrangement

Land is leased from the Government of the Republic of Mauritius and then sub-leased to tenants. The period of the head lease and that of the sub-lease are the same.

The rights of use related to the headlease of the land was derecognised and recognised as a net investment in the sub-leases, with any difference between the rights of use and the net investment in the sub-leases recognised in profit or loss.

The lease liability relating to the head lease is retained in the statement of financial position.

notes to the financial statements

Year ended June 30, 2024

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(f) Leases (cont'd)

The Company as lessor (cont'd)

(ii) Lease of building under operating lease - Company's owned building

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease, except for contingent rental income which is recognised when it arises.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

The Company as lessee - Headlease (Land leased from the Government of Mauritius)

The Company recognises a net investment in lease as explained under point (f)(i) above.

The Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed), variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments.

The Company remeasures the lease liability (and makes a corresponding adjustment to the net investment in lease receivables) whenever:

- The lease term has changed or there is a significant event or change in circumstances resulting in a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;
- The lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is remeasured by discounting the revised lease payments using an unchanged discount rate (unless the lease payments change due to a change in floating interest rate, in which case a revised discount rate is used);
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification."

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(f) Leases (cont'd)

The Company as lessee - Headlease (Land leased from the Government of Mauritius) (cont'd)

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term.

(g) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense when incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(h) Taxation

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of profit or loss and other comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted at year end.

Deferred tax

Deferred tax is provided using the liability method on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

notes to the financial statements

Year ended June 30, 2024

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(h) Taxation (cont'd)

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry-forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry-forward of unused tax credits and unused tax losses can be utilised, except:

- Where the income tax asset relating to the deductible temporary difference arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures. Deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

In accounting for the deferred tax relating to the lease, the Company considers both the lease asset and liability separately. The Company separately accounts for the deferred taxation on the taxable temporary difference and the deductible temporary difference, which upon initial recognition, are equal and offset to zero. Deferred tax is recognised on subsequent changes to the taxable and temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(h) Taxation (cont'd)

Value Added Tax

Revenues, expenses and assets are recognised net of the amount of value added tax except:

- where the value added tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the value added tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables that are stated with the amount of value added tax included.

The net amount of value added tax recoverable from, or payable to, the taxation authority is included as part of accounts receivables or payables in the statement of financial position.

Corporate Social Responsibility

In line with the definition within the Income Tax Act 1995, Corporate Social Responsibility (CSR) is regarded as a tax and is therefore subsumed with the income tax expense shown within the statement of profit or loss and other comprehensive income and the current tax liabilities on the statement of financial position.

The CSR charge for the current period is measured at the amount expected to be paid to the Mauritian tax authorities. The CSR rate and laws used to compute the amount are those charged or substantively enacted at year end.

(i) Revenue recognition

(a) Rental income

The Company earns revenue from acting as a lessor in operating leases which do not transfer substantially all of the risks and rewards incidental to ownership of an investment property. In addition, the Company subleases investment property acquired under head leases with lease terms exceeding 12 months at commencement. Subleases are classified as a finance lease or an operating lease by reference to the right-of-use asset arising from the head lease, rather than by reference to the underlying investment property.

Rental income arising from operating leases on investment property is accounted for on a straight-line basis over the lease term and is included in revenue in the statement of profit or loss due to its operating nature, except for contingent rental income which is recognised when it arises. Initial direct costs incurred in negotiating and arranging an operating lease are recognised as an expense over the lease term on the same basis as the lease income. For rental income arising on finance lease, a lessor shall recognise finance income over the lease term, based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

notes to the financial statements

Year ended June 30, 2024

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(i) Revenue recognition (cont'd)

(b) Recoveries

For investment properties held primarily to earn rental income, the Company enters as a lessor into lease agreements that fall within the scope of IFRS 16. These agreements include certain services offered to tenant such as insurance. The consideration charged to tenants for these services includes fees charged based on reimbursement of expenses incurred. The insurance agreement is between the Company and the insurer therefore the Company remains the principal in satisfying the performance obligation. The Company has determined that no changes are needed on transition to IFRS 15.

(j) Intangible assets

Intangible assets which comprise website development cost are initially recorded at cost. Intangible assets are subsequently measured at cost less accumulated amortisation and impairment losses. Website development cost is amortised using the straight-line method over its estimated useful life of five years. The amortisation method, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

(k) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2. ACCOUNTING POLICIES (CONT'D)

2.6 Accounting policy information (cont'd)

(k) Fair value measurement (cont'd)

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Please refer to Note 22.

(l) Contingent liabilities

A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefit is remote.

notes to the financial statements

Year ended June 30, 2024

3(a). INVESTMENT PROPERTIES

	2024	2023
	Rs.	Rs.
At July 1,	2,808,640,600	2,808,000,000

Decrease in fair value	(14,665,128)	-
At June 30,	2,817,471,246	2,808,640,600

* Additions during the financial year 2024 relate to restoration works at RIVIERE CITRON LTEE.

	2024	2023
	Rs.	Rs.
Rental income derived from investment properties	199,283,398	211,024,729
Recoveries	2,448,514	1,967,991
Direct operating expenses from investment properties that generate rental income (Refer to Note 13)	(2,448,514)	(1,967,991)
Profit arising from investment properties carried at fair value	199,283,398	211,024,729

- (i) Investment properties consist of furnished buildings on leasehold land rented as hotel complex. Additions during the year relate mainly to restoration works at RIVIERE CITRON LTEE.
- (ii) The Company's policy is to fair value its investment properties every year with a qualified independent valuer appointed every three years.

The fair value has been determined on the basis of valuations performed by Prime Pillars Valuation Services Ltd, chartered valuer, an independent certified practising valuer, at June 13, 2022, which has the appropriate recognised professional qualification (Royal Institution of Chartered Surveyors- RICS Registered) and recent experience in the valuation of investment properties of same nature and location. The valuation was performed in accordance with the International Valuation Standards Committee requirements, and the valuation model is consistent with the principles of IFRS 13. The fair value is determined using the discounted cash flow (DCF) method by discounting the rental income based on expected net cash flows of the underlying hotels. The DCF is the approach by which investors analyse property for investment purposes to estimate the market value. This methodology also takes into account the time value of money between the valuation date and the date when the income stream theoretically reverts to market levels.

The Directors have reassessed the fair value of the investment properties as at June 30, 2024 as follows:

- took into consideration current market conditions;
- made comparisons of the carrying amount to recent observable transactions;
- rolled forward the DCF approach computation provided by the independent valuation specialist;
- corroborated the value of the investment properties based on recent transactions.

Based on the above considerations, the Directors believe that the fair value of the investment properties is reasonable.

3(a). INVESTMENT PROPERTIES (CONT'D)

- (iii) In determining the valuation of investment properties, the following main techniques have been used:
The determination of fair value requires significant judgement by the Directors who reassess the valuations periodically. The use of the DCF approach requires Directors to make assumptions in respect of the rental receivable, the discount factor and a growth rate.

(iv) Valuation process

The Company's valuation policies and procedures for the investment property valuations are determined by the management team at Head office. Every three year, management recommends the appointment of an independent external valuer, subject to the approval of the Audit and Risk Committee, who is responsible for the external valuations of the Company's investment properties for the annual financial statements. Selection criteria include market knowledge, reputation, independence, objectivity and whether professional standards are maintained.

As at each year end, all valuations of investment properties are performed by management team inhouse. At each reporting date, management analyses the movements in each property's value and major inputs applied in the latest valuations are verified.

For each property, the latest valuation, is compared with the valuations of the preceding annual periods. If fair value changes (positive or negative) are more than a certain specified threshold, the changes are further considered by discussion with the external valuer. The last external valuation performed was in year 2022. The next valuation by an independent valuer will be 2025.

(v) Fair value hierarchy

The fair value measurement hierarchy for investment property as at June 30, 2024 was Level 3 – Significant unobservable inputs (2023: Level 3). There were no transfers between Levels 1, 2 or 3 during the year.

Valuation technique	Significant unobservable input	Range
DCF method	- Rent growth p.a.	3.50%
	- Discount rate	11.00% - 12.35%
	- Terminal yield	3.50%

Significant increases/(decreases) in the rent growth per annum in isolation would result in a significantly higher/(lower) fair value. Significant increases/(decreases) in the discount rate and terminal yield in isolation would result in a significantly lower/(higher) fair value.

- (vi) The borrowings of Rs. 910m are secured on the hotel properties and all assets of the Company (Note 8).

notes to the financial statements

Year ended June 30, 2024

3(b). INTANGIBLE ASSETS

Website development cost	
2024	2023
Rs.	Rs.
128,750	128,750

At July 01, and June 30,

The intangibles relate to costs for website development at an amount of Rs. 128,750.

3(c). LEASE LIABILITIES AND NET INVESTMENT IN LEASE RECEIVABLES

(i) LEASE LIABILITIES

	2024	2023
	Rs.	Rs.
Non-current		
Lease liabilities	230,850,015	231,853,611
Current		
Lease liabilities	11,717,509	11,717,509
Total lease liabilities	242,567,524	243,571,120

The Company has a lease contract with the Government of Mauritius for leasehold land, with a lease term of sixty years. The Company's obligations under its leases are secured by the lessor's title to the leased assets. The Company has further sublet the leasehold land to the three operating hotels namely Ravenala Attitude, Recif Attitude and Tropical Attitude. Being an intermediate finance lessor, the Company has recognised a Net investment in lease towards the hotel and an obligation on finance lease towards the Government.

The rate of interest on the lease was the incremental borrowing rate of 5.59%. The lease of the leasehold land for the hotel Ravenala Attitude will mature in June 2074 and that of Recif Attitude and Tropical Attitude will mature in June 2069.

Interest income on the Net investment in lease was reported at **Rs. 12,849,306** for the financial year ended June 30, 2024 (2023: Rs. 12,525,148), matched with an interest expense on the lease liabilities for the said amount.

Minimum lease payments

Present value of lease liabilities

3(c). LEASE LIABILITIES AND NET INVESTMENT IN LEASE RECEIVABLES (CONT'D)

(i) LEASE LIABILITIES (cont'd)

The present value of lease liabilities is analysed as follows:

2024	2023
Rs.	Rs.
Within one year	1,003,596
After one year and before five years	4,608,038
More than five years	237,959,486
242,567,524	243,571,120

Set out below are the carrying amounts of lease liabilities and the movements during the period:

	2024	2023
	Rs.	Rs.
At July 1,	243,571,120	220,199,260
Interest expense	12,849,306	12,525,148
Reassessment of lease liabilities	-	23,481,216
Payments	(13,852,902)	(12,634,504)
At June 30,	242,567,524	243,571,120

Analysed as follows:

	2024	2023
	Rs.	Rs.
Current	11,717,509	11,717,509
Non-current	230,850,015	231,853,611
	242,567,524	243,571,120

The following table sets out a maturity analysis of lease liabilities, showing the undiscounted lease payments after the reporting date:

	2024	2023
	Rs.	Rs.
Less than one year	13,852,902	13,852,902
One to two years	13,852,902	13,852,902
Two to three years	13,852,902	13,852,902
Three to four years	13,852,902	13,852,902
Four to five years	13,852,902	13,852,902
More than five years	600,961,430	614,814,332
Total undiscounted lease payments	670,225,940	684,078,842
Unearned finance costs	(427,658,416)	(440,507,722)
Present value of lease liabilities	242,567,524	243,571,120

The following are the amounts recognised in profit or loss:

	2024	2023
	Rs.	Rs.
Interest expense on lease liabilities	12,849,306	12,525,148
Amount recognised in profit or loss	12,849,306	12,525,148

Cash outflows for leases for year ended June 30, 2024 amounted to **Rs. 13.8m** (2023: Rs12.6m).

notes to the financial statements

Year ended June 30, 2024

3(c). LEASE LIABILITIES AND NET INVESTMENT IN LEASE RECEIVABLES (CONT'D)

(ii) Net investment in lease receivables

Set out below are the carrying amounts of net investment in lease receivables recognised and the movements during the period:

	2024 Rs.	2023 Rs.
At July 1,	242,849,579	219,477,718
Interest income	12,849,306	12,525,148
Reassessment of lease receipts	-	23,481,216
Payments	(13,852,902)	(12,634,503)
At June 30,	241,845,983	242,849,579
<u>Analysed as follows:</u>		
Current	1,059,733	1,003,596
Non-current	240,786,250	241,845,983
	241,845,983	242,849,579

The present value of net Investment in lease receivables is analysed as follows:

	2024 Rs.	2023 Rs.
Within one year*	1,059,733	1,003,596
After one year and before five years	4,865,788	4,608,038
More than five years	235,920,462	237,237,945
	241,845,983	242,849,579

*Included in trade and other receivables in Note 4.

The following table sets out a maturity analysis if lease receivables, showing the undiscounted lease payments to be received after the reporting date:

	2024 Rs.	2023 Rs.
Less than one year	13,852,902	13,852,902
One to two years	13,852,902	13,852,902
Two to three years	13,852,902	13,852,902
Three to four years	13,852,902	13,852,902
Four to five years	13,852,902	13,852,902
More than five years	600,961,430	614,814,333
Total undiscounted lease payments receivable	670,225,940	684,078,843
Unearned finance income	(427,658,416)	(440,507,722)
Cumulative impairment losses on lease receivables	(721,542)	(721,542)
Net investment in lease receivable	241,845,983	242,849,579

Directors have made an assessment on the impairment of net investment in lease receivables for the year under review and the amount of lifetime ECL is immaterial (2023: Nil) and has not been accounted for since "Loss Given Default" was determined to be close to zero. This assessment is undertaken each financial year through examining the financial position of related parties and the market in which the related parties operate.

3(c). LEASE LIABILITIES AND NET INVESTMENT IN LEASE RECEIVABLES (CONT'D)

(ii) NET INVESTMENT IN LEASE RECEIVABLES (CONT'D)

Net investment in lease receivables of the Company as at year end falls in the category of performing (2023: Performing).

4. TRADE AND OTHER RECEIVABLES

Amount owed by related parties (Note 15)

- Trade receivables (Note (a))

- Owed by fellow subsidiaries (Note (c))

Net Investment in lease receivables (Note 3 (c)(ii))

Other receivables and prepayments (Note (d))

Analysed as follows:

Current

Non-current

- (a) Trade receivables due from tenants are secured and are non-interest bearing which generally have a 30 days terms. The amount due from hotels are guaranteed by the holding Company, Attitude Hospitality Ltd (AHL). Impairment of receivables have been assessed on a collective basis only as there were no indications of impairment on an individual basis. The trade receivables are due from the related parties as disclosed in Note 15.

As at June 30, 2024 and 2023, the ageing analysis of trade receivables were as follows:

5.

	Days past due		
	< 30 days	30-90 days	>90 days
2024			
Expected credit loss rate	0%	0%	0%
Estimated total gross carrying amount at default (Rs.)	101,803,617	-	57,324,004
2023			
Expected credit loss rate	0%	0%	0%
Estimated total gross carrying amount at default (Rs.)	113,425,792	-	95,540,007

notes to the financial statements

Year ended June 30, 2024

4. TRADE AND OTHER RECEIVABLES (CONT'D)

(a) There is no expected credit loss recognised given that amounts due from tenants are guaranteed by the holding company, Attitude Hospitality Ltd (Note 15).

AHL has secured financing from MCB (Rs. 475m) and MIC (Rs. 500m) and shall have enough liquidity to support the three tenants.

(b) *Impairment of trade receivables - Amount owed by related parties*

The Company is applying the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables.

(c) For terms and conditions relating to related party receivables, refer to Note 15.

The amount due from the fellow subsidiaries is interest free and repayable on demand.

(d) Other receivables and prepayments consist mainly of Tax Deducted at Source (TDS) receivable on rental income which are neither past due nor impaired. No collaterals are held in respect of these receivables.

5 FINANCIAL ASSETS AT AMORTISED COST

	2024 Rs.	2023 Rs.
At July 1,	118,972,954	-
Purchase of treasury bills during the year	323,786,400	217,167,600
Receipt on maturity	(347,000,000)	(100,000,000)
Interest income	3,621,112	1,805,354
At June 30,	99,380,466	118,972,954

During the year, the Company invested in treasury bills issued by the Bank of Mauritius ("BoM") and the Government of Mauritius ("GoM"). The treasury bills are rated Baa2 to Baa3 based on ratings of Moody's (2023: Baa2 to Baa3). As at June 30, 2024, the Company holds a treasury bill amounting to Rs. 99,280,000 which was acquired on June 18, 2024 (settlement date), having a maturity date of September 12, 2024 and a yield rate of 3.08%. Interest receivable on the above treasury bill as at June 30, 2024 amounted to Rs. 1,142,888 (2023: Rs. 1,243,354 at 4.19%).

6. CASH AND CASH EQUIVALENTS

	2024 Rs.	2023 Rs.
Cash at bank	91,865,419	76,337,434

Cash and cash equivalents are interest-free and held with State Bank of Mauritius Ltd and Mauritius Commercial Bank Ltd which are rated Baa2 to Baa3 based on ratings of Moody's (2023: Baa2 to Baa3). While cash and cash equivalents are also subject to impairment requirements of IFRS 9, the identified impairment loss was immaterial.

7. ISSUED SHARE CAPITAL

	Number of shares	2024 Rs.	2023 Rs.
Authorised shares	178,000,000		
Ordinary shares at no par value, issued and fully paid			
Ordinary shares of Rs.10 each	160,017,092	1,600,170,920	1,600,170,920

The ordinary shares of Attitude Property Ltd are listed on the Stock Exchange of Mauritius under the Development and Enterprise Market.

Holders of ordinary shares are entitled to dividends as declared from time to time and are entitled to one vote per share at general meeting of the Company.

8. INTEREST-BEARING LOANS AND BORROWINGS

	2024 Rs.	2023 Rs.
Non-current		
Bonds (note (a))	910,000,000	910,000,000
Total interest bearing loans and borrowings	910,000,000	910,000,000

(a) The Company contracted bonds amounting to Rs. 910m on March 17, 2022 with SBM Capital Markets Ltd. The bonds were used to repay the bank loans of Rs. 910m with State Bank of Mauritius (SBM).

Bonds amount	Coupon rate	Maturity	Bond period
Rs. 910,000,000	SBM PLR+0.42%	Mar-27	5 years

(i) During the financial year ended June 30, 2024, the SBM PLR was 7.05% (2023: 7.05%). With effect from March 19, 2024, the coupon rate is being determined based on a credit rating score assigned to the Bonds which was rated at CARE MAU AAA equivalent to 6.5%.

(ii) The terms and conditions of the bonds are reflected as follows:

The covenants attached to the bonds are as follows:

- Security cover of 1.5 times to be always maintained during the tenor of the Bonds. Security cover means the value of The Ravenala Attitude and Tropical Attitude properties and the floating charge on all movable and immovable assets of the Company to the value of the outstanding bonds at any point in time during the tenor of the bonds.

There were no breach of above covenants during the year.

notes to the financial statements

Year ended June 30, 2024

8. INTEREST-BEARING LOANS AND BORROWINGS (CONT'D)

(iii) Borrowings are secured by fixed charges over certain investment properties (Ravenala Attitude and Tropical Attitude) and floating charges on all movable and immovable assets of the Company.

(c) The interest-bearing loans and borrowings' carrying amounts approximate fair value. They are allocated as level 2 items in the fair value hierarchy, with the significant input in determining fair value being the applicable interest rates. The technique used to determine the fair value is the discounted cash flow method. For fair value hierarchy see Note 22.

(d) Reconciliation of opening and closing balance for liabilities from financing activities:

	2024 Rs.	2023 Rs.
At July 1,	910,000,000	910,000,000
Repayment of bank loans	-	-
Proceeds from bond	-	-
At June 30,	910,000,000	910,000,000

9. TAXATION

(a) Deferred tax liabilities at June 30, relates to the following:

	Statement of financial position		Statement of profit or loss and other comprehensive income	
	2024 Rs.	2023 Rs.	2024 Rs.	2023 Rs.
Deferred tax liabilities				
Net investment in lease receivables	41,236,479	41,407,090	(170,611)	3,973,216
Accelerated depreciation for tax purposes				
	220,782,763	217,732,514	3,050,249	6,177,495
	262,019,242	259,139,604	2,879,638	10,150,711
Deferred tax assets				
Lease liabilities	(41,236,479)	(41,407,090)	170,611	(3,973,216)
Tax loss	(81,765)	(14,598,461)	14,516,696	18,965,694
	(41,318,244)	(56,005,551)	14,687,307	14,992,478
Deferred tax expense			17,566,945	25,143,189
Net deferred tax liabilities	220,700,998	203,134,053		

9. TAXATION (CONT'D)

(b) Reconciliation of net deferred tax liabilities:

At July 1,

Tax expense recognised in statement of profit or loss and other comprehensive income

At June 30,

2024 Rs.	2023 Rs.
203,134,053	177,990,864
17,566,945	25,143,189
220,700,998	203,134,053

(c) Deferred tax liabilities at June 30, relates to the following:

Disclosed as:

Deferred tax asset

Deferred tax liabilities

2024 Rs.	2023 Rs.
(41,318,244)	(56,005,551)
262,019,242	259,139,604
220,700,998	203,134,053

(d) Income tax - *Statement of profit or loss and other comprehensive income*

Income tax expense reported in the statement of profit or loss and other comprehensive income

2024 Rs.	2023 Rs.
17,566,945	25,143,189

10. TRADE AND OTHER PAYABLES

Trade payables

Value added tax payables

Other payables and accruals

2024 Rs.	2023 Rs.
3,001,604	245,264
10,926,075	15,613,082
18,582,964	20,908,037
32,510,643	36,766,383

- Trade and other payables are non-interest bearing and are normally settled on 30-60 days terms.
- Other payables are non-interest bearing. It consists mainly of accrued interests on interest-bearing loans and borrowings on and accruals for professional fees.
- For explanations on the Company's liquidity risk management processes, refer to Note 16(iii).

11. RENTAL INCOME

Rental income (Refer to Note 15)

2024 Rs.	2023 Rs.
199,283,398	211,024,729

The Company's main activity is the rental of investment properties. APL has rented out its properties to its three tenants which are involved in hotel operations.

Rental income is received from the three hotels held namely, Riviere Citron Ltée, Pointe aux Piments Hotel Ltd and Tropical Hotel Ltd.

notes to the financial statements

Year ended June 30, 2024

11. RENTAL INCOME (CONT'D)

The Company has a lease contract with the Government of Mauritius for the leasehold land and has entered into a sub lease arrangement to rent the leasehold land with the tenants. Rental is paid to the Government and subsequently recharged to the tenants.

As per initial prospectus offering:-

- the tenants shall be obliged to maintain in good order and repair the premises.
- 'the annual rental shall be escalated every 3 years based on the Consumer Price Index (CPI) but shall not exceed 15% of the rent payable.
- The tenants of APL shall make a provision into their accounts which will be considered as Capital reserve representing 3% of its annual audited turnover as for the reinstatement of the furniture, fixtures and equipment on or before the end of the present lease. The purpose of the capital reserve is to ensure that the tenant keeps the property well maintained at all times during the lease period.
- 'The tenant shall not under any circumstances be entitled to cancel this agreement or have any claim or right of action whatsoever against the Landlord for any damage or loss, nor be entitled to withhold or defer payment of rental by reason of the premises or any appliances, air conditioning or other installation, fittings, fixtures and appurtenances in the said premises or the building being in a defective condition or falling into disrepair or any particular repairs not being effected by the Landlord or for any other reason whatsoever.

12. RECOVERIES

	2024 Rs.	2023 Rs.
Recharged insurance	2,448,514	1,967,991

Insurance is paid to Willis Towers Watson [Mauritius] Ltd and subsequently recharged to the tenants.

13. OTHER EXPENSES

	2024 Rs.	2023 Rs.
Legal and professional fees	735,125	631,992
Insurance	2,448,514	1,967,991
Consultancy fees	5,098,968	3,408,918
Other expenses	939,888	436,329
	9,222,495	6,445,230
Operating expenses (Refer to Note 3(a))	2,448,514	1,967,991
Other expenses	6,773,981	4,477,239
	9,222,495	6,445,230

14. FINANCE COSTS

	2024 Rs.	2023 Rs.
Interest expense on:		
- Interest on bonds	65,599,781	59,835,630
- GOM leasehold land	12,849,306	12,525,148
	78,449,087	72,360,778

15. RELATED PARTY TRANSACTIONS

The following tables provide the total amount of transactions that have been entered into with related parties for the relevant financial years.

	Interest income from related parties	Recoveries of insurance from related parties	Rental income from	Amount owed by related parties
	Rs.	Rs.	Rs.	Rs.
2024				
Fellow subsidiaries:				
- Riviere Citron Ltée	-	1,503,952	155,764,195	125,128,341
- Tropical Hotel Ltd	-	492,844	33,637,884	27,177,835
- Pointe Aux Piments				
- Hotel Ltd	-	451,718	9,881,319	8,789,799
	-	2,448,514	199,283,398	161,095,975
2023				
Holding Company -				
Attitude Hospitality Ltd	2,769,945	-	-	-
Fellow subsidiaries:				
- Riviere Citron Ltée	-	1,210,731	155,764,195	152,039,636
- Tropical Hotel Ltd	-	388,108	33,637,884	32,998,654
- Pointe Aux Piments				
- Hotel Ltd	-	369,152	21,622,650	25,150,757
	2,769,945	1,967,991	211,024,729	210,189,047

Terms and conditions of transactions with related parties:

- The balances are past due but not impaired based on our ECL assessment. The amount due from the hotels are guaranteed by the holding company, Attitude Hospitality Ltd (AHL).
- For the year ended June 30, 2024, the Company has not made any provision for impairment of receivables relating to amounts owned by related parties (2023: nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.
- The trade receivables from the fellow subsidiaries is inclusive of VAT.

In terms of rental recoverability, given the fact that AHL acts as guarantor, AHL shall make good for any rental payment.

As such, the ECL has been estimated as close to zero.

Nature of transactions with related parties:

- Amount owed from related parties relates to rental of the hotel properties.
- Amount owed from Attitude Hospitality Ltd relates to funding to holding Company.

notes to the financial statements

Year ended June 30, 2024

15. RELATED PARTY TRANSACTIONS (CONT'D)

Key management personnel

'Key management personnel are persons having the authority and responsibility for planning, directing and controlling the activities of the Company, including Directors.

The Company has a management contract with Attitude Hospitality Ltd on a no fee basis. The Board Committee fees have not yet been defined by the Board. At June 30, 2024, the Executive Directors did not receive any remuneration and benefits. The Independent Non-Executive Directors were entitled to fees of **Rs. 654,000** (2023: Rs. 400,000) in total.

16. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise lease liabilities, interest-bearing loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to raise finance for the Company's operations.

'The Company has various financial assets, such as net investment in lease receivables, trade and other receivables (excluding other receivables and prepayments), financial assets at amortised cost and cash and cash equivalents which arise directly from its operations.

The main risks arising from the Company's financial instruments are interest rate risk, credit risk and liquidity risk.

The overall objective of the Board is to set policies that seek to reduce risk as far as possible without unduly affecting the Company's competitiveness and flexibility.

The Board of Directors reviews and agrees policies for managing each of these risks which are summarised below.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's loans and borrowings with floating interest rates. The Company mitigates this risk by having a loan portfolio which carries both fixed and floating rates, as and when appropriate. The Company analyses the interest rate exposure on a quarterly basis. A sensitivity analysis is performed by applying the simulation technique to the liabilities that represent major interest bearing positions.

Interest rate risk table

The following table demonstrates the sensitivity to a reasonably possible change in interest rates based on historical observations, with all other variables held constant, of the Company's profit before tax (through the impact on floating rate borrowings).

16. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(i) Interest rate risk (cont'd)

Effect on profit before tax	Decrease in basis points	2024 Rs.	2023 Rs.
Interest-bearing loans and borrowings	-50	5,571,885	5,587,902
Effect on profit before tax	Decrease in basis points	2024 Rs.	2023 Rs.
Interest-bearing loans and borrowings	+50	(5,571,885)	(5,587,902)

(ii) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company's credit risk is primarily attributable to its trade receivables, which relates solely to its fellow subsidiaries and the credit quality of the tenant is assessed at the time of entering into a lease agreement. Credit risk on bank balances and other financial assets are minimal since these are maintained with reputable financial institutions. The Company's maximum exposure to credit risk arises from default of the counterparty, with a maximum exposure equal to the carrying amount of these instruments. Loss given default on the trade and other receivables from tenants is considered as close to zero.

The Company measures credit risk and expected credit losses ("ECL") using probability of default, exposure at default and loss given default. Management considers both historical analysis and forward looking information in determining any ECL. Management considers the loss given default to be close to zero as the counterparties (tenants) are supported and guaranteed by AHL, which has a strong capacity to meet the contractual obligations in the near term. AHL has secured financing from MCB (MUR 475 mn) and MIC (MUR 500 mn) and shall have enough liquidity to support the three tenants.

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Counterparty credit limits are reviewed on an annual basis, and may be updated throughout the year subject to approval of the Management. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments.

notes to the financial statements

Year ended June 30, 2024

16. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(iii) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. The Company aims at maintaining flexibility in funding by keeping reliable credit lines available.

The Company's objective is to maintain a flexibility between continuity of funding and flexibility through the use of borrowings.

The table below summarises the maturity profile of the Company's financial liabilities at reporting date based on contractual undiscounted payments.

	Less than 3 months	3 to 12 months	1 to 5 years	More than 5 years	Total
	Rs.	Rs.	Rs.	Rs.	Rs.
At June 30, 2024					
Interest-bearing loans and borrowings	-	-	910,000,000	-	910,000,000
Lease liabilities	-	13,852,902	55,411,611	600,961,427	670,225,940
Trade and other payables	3,001,604	17,177,808	-	-	20,179,412
	3,001,604	31,030,710	965,411,611	600,961,427	1,600,405,352

	Less than 3 months	3 to 12 months	1 to 5 years	More than 5 years	Total
	Rs.	Rs.	Rs.	Rs.	Rs.
At June 30, 2023					
Interest-bearing loans and borrowings	-	-	910,000,000	-	910,000,000
Lease liabilities	-	13,852,902	55,411,610	614,814,331	684,078,843
Trade and other payables	245,264	19,741,266	-	-	19,986,530
	245,264	33,594,168	965,411,610	614,814,331	1,614,065,373

Interest-bearing loans and borrowings include all future interest cost and trade and other payables exclude value added tax payables, TDS payable and accruals of **Rs. 12,331,231** (2023: Rs. 16,779,853).

16. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(iv) Principal financial instruments

The principal financial instruments used by the Company, from which financial instruments risk arises, are as follows:

- Net investment in lease receivable
- Trade and other receivables
- Financial assets at amortised cost
- Cash and cash equivalents
- Interest bearing loans and borrowings
- Lease liabilities
- Trade and other payables

Financial instruments by category

Financial assets

Net investment in lease receivable
Trade and other receivables
Financial assets at amortised cost
Cash and cash equivalents

Total financial assets

Trade and other receivables exclude other receivables and prepayments of **Rs. 15,027,109** (2023: Rs. 15,907,045).

Financial liabilities

Interest bearing loans and borrowings
Lease liabilities
Trade and other payables

Total financial liabilities

Trade and other payables exclude value added tax payables, TDS payable and accruals of **Rs. 12,331,231** (2023: Rs. 16,779,853).

(v) Capital risk management

The primary objective of the Company in respect of capital management is to maintain a strong credit rating and healthy capital ratios in order to support the business and maximise shareholders' value. The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain and adjust the capital structure, the Company may adjust the dividend payment to shareholders.

The Company includes within net debt, interest-bearing loans and borrowings, lease liabilities less cash and short-term deposit. Total capital is calculated as "equity" as shown in the statements of financial position less net unrealised gains reserves. The Company considers the gearing ratio computed below to be reasonable and in line with its repayment capacity. The gearing ratios at June 30, 2024 and 2023 were as follows:

notes to the financial statements

Year ended June 30, 2024

16. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(v) Capital risk management (cont'd)	2024 Rs.	2023 Rs.
Interest-bearing loans and borrowings	910,000,000	910,000,000
Lease liabilities	242,567,524	243,571,120
Cash and short term deposits	(91,865,419)	(76,337,434)
Net debt	1,060,702,105	1,077,233,686
Equity	2,021,035,783	2,079,553,853
Equity and net debt	3,081,737,888	3,156,787,539
Gearing ratio	34%	34%

17. ULTIMATE HOLDING COMPANY

The Directors regard Jason Limited, as the ultimate holding company and Attitude Hospitality Ltd as the intermediate holding company. Both companies are incorporated in Mauritius. The registered office of Jason Ltd is situated at The Junction Business Hub, Block C, Calebasses Branch Road, Calebasses, Mauritius. Attitude Hospitality Ltd is now situated at Office 16, 2nd Floor, Block 1, The Strand, Lakeside District, Beau Plan, Mauritius.

18. COMMITMENTS

There are no capital commitments for financial year 2024 and 2023.

19. OPERATING LEASE - COMPANY AS LESSOR (CONT'D)

The Company has entered into a lease arrangement for its hotel buildings and furniture, fittings and equipments, accounted under Investment properties. The investment properties are leased for a period of 20 years and includes clauses to enable periodic upward revision of the rental charge every 3 years based on the Consumer Price Index (CPI) but shall not exceed 15% of the rent payable. The first periodic upward revision of the rental charge was effective as from July 01, 2018.

Future minimum rentals receivable under non-cancellable operating leases are as follows:

	2024 Rs.	2023 Rs.
Within one year	200,327,583	221,510,539
One to two years	232,998,919	235,488,449
Two to three years	232,998,919	235,488,449
Three to four years	232,998,919	235,488,449
Four to five years	232,998,919	246,439,270
After five years	1,625,733,619	1,872,172,889
	2,758,056,878	3,046,588,046

19. OPERATING LEASE - COMPANY AS LESSOR (CONT'D)

INTERMEDIATE FINANCE LEASE - Company as lessee and lessor

The Company has entered into a lease arrangement for its leasehold land with the Government of Mauritius. The land are leased for a period of 60 years and includes clauses to enable periodic upward revision of the rental charge yearly, based on the Consumer Price Index (CPI) but shall not exceed 15% of the rent payable.

The leasehold land has been further sublet to the three operating hotels, whereby APL acts as intermediate lessor.

Future minimum lease payments under finance leases are as follows:

	2024 Rs.	2023 Rs.
Within one year	13,852,902	13,852,902
After one year but before five years	55,411,611	55,411,610
After five years	600,961,427	614,814,330
	670,225,940	684,078,842

The below table details out the nature and amounts in relation to the Net investment in lease receivable:

	2024 Rs.	2023 Rs.
Finance income on Net investment in lease receivable	12,849,306	12,525,148

Below table provides a reconciliation of the net investment in lease and the undiscounted lease payment:

	2024 Rs.	2023 Rs.
Undiscounted lease payments	670,225,940	684,078,843
Unearned finance income	(427,658,416)	(440,507,722)
Impairment loss on Net investment in lease receivable	(721,542)	(721,542)
Net investment in lease receivable	241,845,983	242,849,579

20. DIVIDENDS

	2024 Rs.	2023 Rs.
Dividends	156,816,745	139,214,870

Dividends amounting to **Rs. 0.98** (2023: Rs. 0.87) per share, including a top up of **Rs. 0.24** (2023: Rs. 0.12) per share over and above the normal dividend of Rs. 0.74 per share were declared and paid during the year, to compensate the Shareholders during the rental deferment period.

21. SEGMENTAL REPORTING

The Company is engaged in one main operating segment which is the rental of investment properties in Mauritius. The three tenants are its fellow subsidiaries which operate in the hotel industry and there are no external customers. Accordingly all significant operating decisions are based upon analysis of the rental of investment properties as one segment. The financial results from this segment are equivalent to the financial statements of the Company as a whole.

notes to the financial statements

Year ended June 30, 2024

22. FAIR VALUE MEASUREMENT

(a) The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
		Rs.	Rs.	Rs.	Rs.
Assets measured at fair value:					
Investment properties (Note 3)					
	June 30, 2024	2,817,471,246	-	-	2,817,471,246
	June 30, 2023	2,808,640,600	-	-	2,808,640,600
Liabilities not measured at fair value:					
Interest bearing loans and borrowings (Note 8)					
	June 30, 2024	910,000,000	-	910,000,000	-
	June 30, 2023	910,000,000	-	910,000,000	-

Management has assessed that fair value of cash and cash equivalents, financial assets at amortised cost, trade and other receivables (excluding other receivables and prepayments), trade and other payables (excluding value added tax payables, TDS payable and accruals), interest-bearing loans and borrowings approximate their carrying amounts.

23. BASIC AND DILUTED EARNING PER SHARE

	2024	2023
Profit attributable to owners (Rs.)	98,298,675	126,148,969
Number of equity shares in issue	160,017,092	160,017,092
Earnings per share (Rs.)	0.61	0.79

Basic and diluted earning per share are calculated by dividing the profit for the year attributable to the owners by the number of ordinary shares in issue during the year. There were no instruments that would have a dilutive effect on the earnings per share.

24. CONTINGENT LIABILITIES

One of the property's value has been re-assessed by the Registrar General, following this re-assessment, the Registrar has made a claim of Rs. 52.5m for additional registration duty. Under the advice of its legal counsel, the Company has made a formal objection to the Assessment Review Committee ("ARC").

Given that this case is still ongoing, there is no certainty on payment and no reliable estimate can be made. Hence, no provision has been made in the accounts.

25. EVENTS AFTER REPORTING DATE

(i) Corporate Climate Responsibility Levy ("CCRL")

In his National Budget on June 07, 2024, the Mauritian Finance Minister announced the introduction of a Corporate Climate Responsibility Levy ("CCRL"), equivalent to 2% of the Company's profits, for companies with a yearly turnover of more than Rs. 50 m.

Section 41(iii) of the Financial (Miscellaneous Provisions) Act 2024 ("FMPA 2024") gave effect to the CCRL and its effective date is the year of assessment 2024/2025 so that it applies to any company with a financial year that terminated on any date during the period from January 1, 2024 to June 30, 2024. The CCRL also applies to any Mauritian tax resident partnership. The CCRL is computed on the taxable profit of the company and is specifically considered to be an income tax under section 41(a)(i)(A) of the FMPA 2024.

According to IAS 12, changes in tax rates and laws should be recognized in financial statements when the legislation is substantively enacted, which is when it can no longer be amended. The 2% CCRL had not reached the point of substantive enactment by the end of the reporting period as the possibility of further amendments to the legislation still existed.

The potential effect of the addition 2% levy is as follows:

	Rs.m
CCR levy to be paid for the year of assessment commencing July 2024	1.94
Increase deferred tax liabilities	4.13

(ii) Proposed dividends

On September 23, 2024, the Board of Directors has declared a dividend of Rs. 0.41 per share, representing a total dividend Rs. 65,607,008.
